Dear Mr. Weakley:

Due to the on-going pandemic, the Virginia Department of Transportation (VDOT) has scheduled a *virtual* Design Public Hearing for the subject project to be held online on **Tuesday, October 12, 2021, from 5:00 p.m. to 7:00 p.m.** In the event of cancellation due to technical difficulties or other unforeseen reasons, the Public Hearing will be rescheduled for **Tuesday, October 19, 2021** at the same time.

The purpose of this virtual Public Hearing is to allow interested citizens the opportunity to review preliminary plans for the proposed restricted crossing U-turn (RCUT) at the intersection of Route 29 (Seminole Trail) and Route 662 (Shelby Road) in Madison County. The project's preliminary plans and other project materials, including instruction for joining the virtual meeting forum, can be found on the project's website at: <https://www.virginiadot.org/shelbyRCUT>

The hearing will be in a formal-style meeting format and will open with a presentation from VDOT staff. Representatives from VDOT will be available to answer questions and take comments from the public following the presentation.

If you have any questions regarding this project, please contact me at (434) 531-2846.
